

# FS2MOUSE CLUB

Term 5 | Week 1

## Our Story of the Week

This term, our 'Understanding of the World' investigations start with finding out about different flowering plants and what they need to grow. We will be planting seeds this week and we will all be helping to create a wildflower garden in our outside area.

We are reading 'The Little Seed' by one of our favourite authors, Eric Carle. One of our non-fiction books is 'Seed to Sunflower', which explains the life cycle of a sunflower seed. Please click [here](#).

## Our Song of the Week

Our song of the week is the 'Boogie Beebies' song called, 'Digging a Hole'. The children can listen to this song by following this [link](#).

## Ideas to try at home

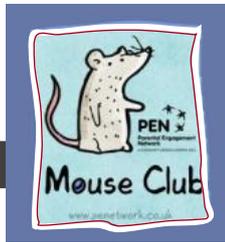

- Make a cress head at home, perhaps with a funny nose using old tights, compost, and an elastic band.
- Draw a face on a plastic cup and grow grass
- You can even trim the grass hair as it grows!

## *Chorus:*

Remember plants need soil!  
Remember plants need light!  
Remember they need water,  
and they will turn out right.  
Digging a hole, yeah -  
Planting a seed,  
Water it and watch it start to grow!  
Digging a hole yeah -  
Planting a seed,  
Water it and watch it start to grow!

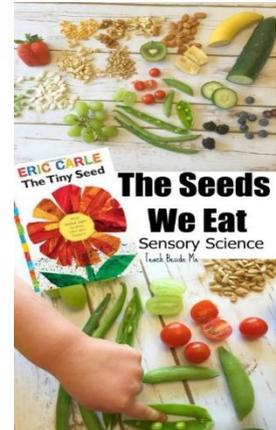

# FS2MOUSE CLUB

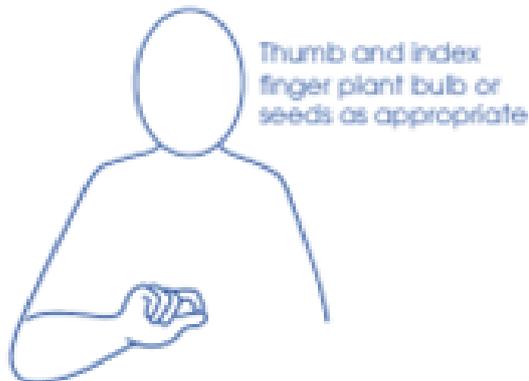

Term 5 | Week 1

- Have a look at some of the food you eat at home. Can you find any seeds in the fruit and vegetables that you eat?
- Ask your grownups if you can plant vegetable seeds such as lettuce, beans, peas, and radishes. They grow quickly and then you can enjoy eating them!
- Don't forget to share pictures, comments, and clips of everything you do so that your child can share your home learning with their friends in class during 'Tapestry Time'.

## Makaton Actions of the Week

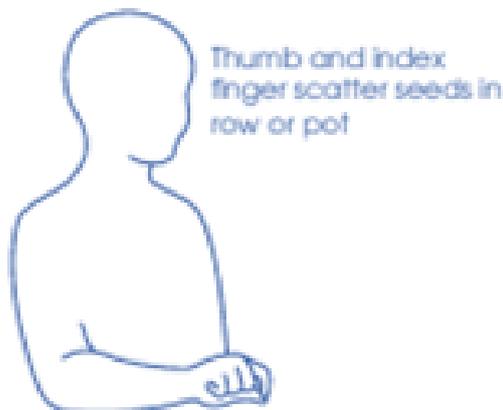

Thumb and index  
finger plant bulb or  
seeds as appropriate

**To Plant  
(bulbs / seeds etc)**

Plus 'To Dig' if  
necessary

**To Plant  
(plants / trees etc)**

Thumb and index  
finger scatter seeds in  
row or pot

**Seeds**

**Bulb  
(flower)**

**ST CLARE**  
Catholic Multi Academy Trust
