Citizen of the Week

This week's recipient is **Olivia Wood** in **Y3** who demonstrates so positively how mistakes can help us all to learn and be better in line with our 'Statement to Live By' this week. Olivia used to get quite worried about making mistakes and this would sometimes stop her from having a good go at something because she would be anxious about getting it wrong. She has really worked on this, and now understands that making mistakes can really help her. The impact has been incredible! There is no stopping her now! She will have a go at everything and if something does not work straightaway she will try and try again - learning important lessons as she goes. We are all so proud of you Olivia for your achievements and for the great example you give others! Well done!

Curriculum Exhibition

Our next exhibition will be in the last week of term on **Wednesday 28th March 2018** from 9.00am until 10.00am in the School Hall. Every class will display work completed since January and before, and you will also have an opportunity to view the children's amazing writing which is always displayed at Writers' Corner. The PTFA will also be offering refreshments, and if you can help them please let them know.

During the exhibition all the decorated eggs submitted for the PTFA Easter Egg competition will also be displayed. If you would like to enter you can buy a £1 craft 'egg' from a member of the PTFA in the playground after school. Thank you.

A Message from South Yorkshire Police

Below is a statement from South Yorkshire Police in relation to the malicious letters which have been circulated and which contain messages of hate crime. The message is from South Yorkshire Police seeks to reassure all Sheffield residents that this matter is being taken extremely seriously by the authorities. Below is a link to the statement on our website:

<http://www.st-johnfisher.org/news/south-yorkshire-police-public-reassurance-message--hate-communications/>

Public Reassurance Message – Hate Communications

A national operation coordinated by Counter Terrorism Policing North East has been launched following receipt of malicious letters containing messages of hate crime was reported to police by a number of people across the country on Friday 9th March 2018.

In South Yorkshire, we have received reports of three letters being received all of which are being investigated as part of the Operation highlighted above.

In a reassurance message to communities on Sunday, ACC Tim Forber said:

"These communications are extremely distressing and we appreciate that members of our communities will be very concerned. I can assure you that these documents are being taken extremely seriously and a thorough investigation into the circumstances is underway. I would like to reassure the people of South Yorkshire that public and community safety remains our utmost priority and as always, we are doing everything we can to ensure the safety of everyone. We'd always encourage anyone who is made to feel vulnerable to report this to police and it is really important that we are made aware of all letters received. If you or someone you know, has received such a letter, please contact 101 and report the matter immediately. Hate crime in any form will not be tolerated and we will work with our communities and alongside our colleagues in the counter terrorism unit to ensure that those spreading fear and hatred will be brought to justice."

Detective Chief Superintendent Martin Snowden, Head of Counter Terrorism Policing North East said:

"We take religious hatred extremely seriously and my officers will be carrying out a full and thorough investigation in response to these reports. These letters seek to cause fear and offence among our Muslim communities. They also seek to divide us. Yet in spite of this, our communities have shown strength in their response to such hatred and in their support for each other. We continue to encourage anyone who believes they have been a victim of such an offence to contact their local police force on 101. We'd also appeal to anyone with any information about the individual, or individuals, responsible to call police in confidence on 0800 789 321."

Public Advice:

- If you do receive a letter, parcel or other post to your premises that is threatening or abusive then please follow the below guidelines:
- Keep the number of people who handle the letter and the envelope to a minimum – this is to allow Police the best chance to identify the sender through the use of forensic techniques and minimise the risk of harm.
- Place the letter and the envelope in a clean plastic bag or similar (a sandwich bag or freezer bag for example) as this will stop further contamination.
- Call the local police and inform them, they will assess what you have received and know the procedure to follow, whether the letter is part of this series or not.

Fun in the Snow!

During the recent snowy weather the children had the choice to bring extra clothes and boots to school so that they could go out and have fun in the snow - which is exactly what many of them decided to do!

Fairtrade Lemonade in Y2

For 'Fairtrade Fortnight' the children of Y2 were learning about Fairtrade lemons, sugar and tea. They had a go at making their own 'Fairtrade' lemonade. First they investigated the process and then wrote their own instructions. All the children enjoyed the activity and had lots of fun. They also loved the taste of their own freshly squeezed lemonade.

You can find out more about what the children Y2 and the other classes have been doing via this link to our website: <http://www.st-johnfisher.org/class-zone/>

Children's Heart Surgery Fund

We were pleased to be able to raise money for this wonderful charity which had supported one of our families so much. We took part in a national fundraising 'Red Day' in aid of the Children's Heart Surgery Fund. Everyone was invited to come to school wearing something red and to donate £1+ per child.

Many parents and carers were kind enough to do this and Mr and Mrs Atkinson and their daughter Isla collected on the school gate. They also shared information leaflets and talked about the important work of the charity. As a direct consequence of the donations offered by parents/carers we managed to raise £258.88, which was presented to Lisa from the charity. She came to thank our community and to do a short presentation so that everyone could learn about the work of the charity and how it helps special families like the Atkinsons. We were so pleased that Mrs Atkinson could also join us for the presentation. Next year we will adopt the Children's Heart Surgery Fund as one of our House charities in memory of baby Jax Atkinson.

Statement to Live By

Next week our 'statement to live by' is **'I try to keep going when things are difficult and not give up'**

Time to talk: Recently we have been thinking about why making mistakes (and then learning from them) is an important part of learning. Next week we will reflect on why it is important to be resilient, especially when we are learning something new or making an important change in our lives. At St John Fisher we teach our children to remain positive and never ever give up. Can you think of a time when you refused to give up? How did you feel when things did not go quite as you wanted? What made you keep going? Did you achieve your goal in the end? How did it feel if/when it did?

Best wishes,

Mr Barratt
