

FS2 MOUSE CLUB

Term 2 – Week 1 and Week 2 (2024-2025)

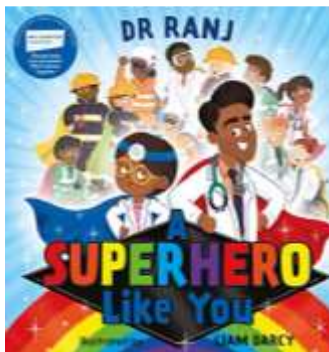

Our first week back is our whole school, 'Be Safe - Happy Week'. Every day at school we model, show, and teach our children about all the different ways they can stay safe inside and when they go out and about.

The children also learn about how to make safe and healthy choices and who to talk to when we feel sad, lonely or worried that we are not safe. This is always done gently and in age-appropriate ways.

In the first week of Term 2 week the children in FS2 will learn about the people in our school and communities who help us. We will reinforce key messages about staying with familiar and trusted grown-ups when out and about, and what to do if they ever need any help. We will explore the best ways of keeping safe when we are out walking and crossing the roads with our grown-ups. We will also be learning about Bonfire Night and how to stay safe at fireworks displays.

Our Books for Be Safe Be Happy

One of our stories this week is, 'A Superhero Like You,' by Dr. Ranj. Click this [link](#).

Our Song for Be Safe Be Happy Week

Please click [here](#) to view the road-safety song we will be learning.

Activities To Try at Home

- When you are out in your local area look out for people whose job is to help others: look for a Lollipop Person or a Police Officer. Point out where the local fire station is.
- Do you know anyone who works in a job that helps other people? Ask them about their job and see if you and your mouse can have a photograph with them.
- We are also going to be learning about foods that keep us healthy and strong, why we need to have a good sleep at night and about looking after our teeth. Please pop a photo on Tapestry of you showing your mouse how to brush your teeth, or of you and mouse having a bedtime story.
